

Crack the Corona Code in 3 Steps

The most powerful facts, evidence and sources in a nutshell

May 21, 2022 | For updates & videos, see lovefortruth.info

I. There is **no “SARS-CoV-2 virus” or “variant.”** They’re just **computer models.**¹

- The **“SARS-CoV-2 virus” has never been isolated (purified)** and has not been proven to exist. There is **no “bioweapon virus”** from a Wuhan lab.¹

II. **“Covid-19” is the flu, cold, pneumonia, (5G/EMF) radiation sickness, damage caused by Remdesivir, ventilators, Midazolam, tests etc.** Also, **healthy people who test positive** are said to have “Covid-19.”^{2, 3, 4, 5}

- “Covid-19” has **no unique symptoms.** Loss of taste and smell is also a symptom of the diseases above. Long flu also exists.^{2, 3, 4}
- The **“Covid-19” tests are useless.** They cannot be used to diagnose disease.⁶
- **“Covid-19” has a 99.9+% survival rate** for people below 70 (99.85% incl. 70+).⁷
- **Hospitals were never unusually overburdened** in 2020.⁸
- **Hospitals receive bonuses** for reporting “Covid-19” cases and deaths. **The rules for counting deaths were doctored** for “Covid-19.”⁹

III. The **“Covid-19 vaccines” contain nanotech (chips, graphene)** for tracking people. The injections have nothing to do with health, but with **power, control, transhumanism, depopulation and the Great Reset.**^{10, 11, 12, 13}

- Many “vaccinated” people are **magnetic.**¹⁰
- **Millions have been injured or killed** after getting the “vaccine.” Only about 1% of the injuries and deaths are reported.¹⁴
- **The “vaccine” contents vary greatly.** 30% of the “vaccines” are more harmful than the other 70%. Some batches cause over 1,000x more adverse effects.¹⁵
- The “vaccines” **do not prevent “Covid-19”** (any disease). Places with 100% “vaccination” rate still have “Covid-19” cases.¹⁶
- Unlike “vaccines,” **natural immunity, fasting and detoxing help protect (and heal) the body** from disease. Loss of smell, radiation sickness and cell/genetic damage can be healed through dry fasting.¹⁷

I No virus

1 No virus isolated

Note: **Isolated virus** (virus separated from everything else) = **proof of real virus**.

"Virus isolate" (mixture of dead cells, toxic chemicals, antibiotics, genetic material etc.) = **fraud, not proof**.

Chief epidemiologist of Chinese CDC admitted "they didn't isolate the virus."

Dr. Sergey Filonov, fasting coach for 30 years: For Corona, dry fast as early as possible. All diseases can be healed with dry fasting, but it’s best to dry fast as early as possible. (He only mentioned certain illnesses as contraindications in his book so that people won’t wait until a disease is advanced.) If a disease is advanced, it’s best to dry fast under medical supervision.
